

# THERA PATIENT SUPPORT<sup>®</sup> PROGRAM

---

There for you  
and your patients  
every step of  
the way

## Enroll your patients in the THERA patient support<sup>®</sup> program today!

THERA patient support<sup>®</sup> is a personalized patient support program for healthcare providers and patients. By enrolling your patients in the THERA patient support<sup>®</sup> program, your patients will receive the support they need throughout their treatment journey. By streamlining treatment access and removing barriers to care, THERA patient support<sup>®</sup> is here to support you, your staff, and your patients every step of the way.

**For questions on enrolling your patients and getting them started on EGRIFTA SV<sup>®</sup>, call the THERA patient support<sup>®</sup> line at 1-833-23-THERA/1-833-238-4372 and a THERA Patient Care Coordinator will assist you and your office staff.  
Available Monday to Friday from 8:30 AM – 8:00 PM EST.**

# Benefits to Patients Enrolled in the THERA patient support<sup>®</sup> program

---

## Coverage and insurance support

Insurance coverage verification, help navigate prior authorizations, appeals and fulfillment process, educate on payer requirements and necessary documentation for personalized patient support.

---

## Financial Assistance Program to help cover the cost of care

### Commercial Insurance

---

THERA's *EGRIFTA SV*<sup>®</sup> Co-Pay Program may help patients with private or commercial insurance lower their out-of-pocket costs.

### Government Insurance

---

THERA patient support<sup>®</sup> can assist with alternative funding for patients with government insurance that may lower their out-of-pocket costs.

### Patient Assistance Program

---

The THERA Patient Assistance Program offers qualifying patients THERA medications at no cost.

---

## Injection training with a THERA Nurse Navigator

Guaranteed injection training by one of THERA's Nurse Navigators. Training is available virtually through video or by telephone.

---

## Meet the THERA team

## How we assist you and your patients

### THERA Patient Care Coordinators

- Provide patients with a welcome call, sharps container, and patient resource kit
- Verify specific insurance coverage and reimbursement solutions
- Assist with prior authorization and claim denials/appeals
- If eligible, will enroll patients in the *EGRIFTA SV*® Co-Pay Assistance Program
- Explore financial assistance programs that may help cover the cost of care for your patients

Our goal is to secure access to treatment for your patients in a seamless single point of contact, allowing you to focus on your patient's care.

**To request your THERA Patient Care Coordinator, contact 1-833-23-THERA/1-833-238-4372.**

### THERA Field Reimbursement Managers

- Can answer questions about the THERA patient support® program including the enrollment process and general reimbursement questions
- Will educate on payer coverage criteria and policy updates
- Assist with prior authorization and claim denials/appeals

Schedule a remote or live appointment with a THERA Field Reimbursement manager.

**To request your THERA Field Reimbursement Manager, contact 1-833-23-THERA/1-833-238-4372.**

## Thera Nurse Navigators

Our professionally trained and experienced Nurse Navigators are there to provide your patients with personalized one-on-one nursing support. THERA Nurse Navigators will:

- Welcome patients into the THERA patient support<sup>®</sup> program and coordinate calls and/or video meetings based on patient's schedule and preference
- Offer virtual step-by-step reconstitution and administration training
- Facilitate patient adherence through scheduled touch points
- Support answering any product-related questions
- THERA Nurse Navigators are a resource for your patients to call with any questions or concerns

Our Nurse Navigators will partner with you and your patients to ensure a successful treatment journey while on *EGRIFTA SV*<sup>®</sup>.

For questions on enrolling your patients and getting them started on *EGRIFTA SV*<sup>®</sup>, call the THERA patient support<sup>®</sup> line at 1-833-23-THERA/1-833-238-4372 and a THERA Patient Care Coordinator will assist you and your office staff.

Available Monday to Friday from 8:30 AM – 8:00 PM EST.

## 2 easy options to enroll your patients

Once you have identified an appropriate *EGRIFTA SV*<sup>®</sup> patient, here are the 2 ways to enroll them in the THERA patient support<sup>®</sup> program:

### Fax 1-855-836-3069

Scan the QR code to complete the enrollment form and then fax it to us.

### Online prescribing and registering through the Physician Portal

- Scan the QR code to access the portal
- Register at [tps.aspnprograms.com](https://tps.aspnprograms.com)
- Upload signed patient consent form
- Upload chart notes and track patients' real-time enrollment status
- Obtain coverage information and view product shipment information

**Important note:** To ensure your patients can immediately get started on *EGRIFTA SV*<sup>®</sup> therapy, it is important to get your patients' signature/consent on the last page of the enrollment form

Once enrolled, a THERA Patient Care Coordinator will welcome your patient and start investigating coverage and reimbursement options. Once approved, THERA patient support<sup>®</sup> will coordinate with specialty pharmacies in their insurance network, so your patients can quickly receive and start their treatment.

To report SUSPECTED ADVERSE REACTIONS, contact THERA patient support<sup>®</sup> toll-free at 1-833-23-THERA (1-833-238-4372) or the FDA at 1-800-FDA-1088 or visit [www.fda.gov/medwatch](http://www.fda.gov/medwatch)
